Premium Quality Natural Stone Tiles

WELCOME

Here’s something we feel you should know about Premier Stone. Our specialist team has been importing the best quality natural stone tiles from around the world for nearly 10 years.

During that time, we have developed our expertise for hand selecting the perfect stones for all interiors and design concepts. Our network of retailers will work with you to help you achieve the design scheme you desire with the quality you expect. We hope you enjoy this brochure as much as we do sourcing these beautiful natural stone tiles.

MARBLE COLLECTION

BOTTICINO

Botticino is a classic marble. Cream and light beige tones with occasional white veins running through, allow this marble to settle in with many colour schemes. Perfect for both contemporary and classic situations. Suitable for use throughout any home, particularly kitchen flooring and bathrooms.

FINISH	SIZE
Polished	610x305x12mm
	610x406x12mm
	50x50x12mm mosaics
Honed	610x406x12mm

ITALIAN CARRARA

Premier Stones Italian Carrara is a real classic. An off-white back ground and grey veining with a slight blue tinge gives this marble a beautifully timeless look. Italian Carrara is available in polished and honed finishes allowing complete versatility throughout your home.

FINISH	SIZE
Polished	600x300x10mm
Honed	600x300x10mm

NOVA CARRARA

An elegant, almost pure white background with stunning cloudy grey veining running through allows our Nova Carrara to settle in with any contemporary setting. Whiter than our Italian Carrara but offering more of a subtle statement is perfect if you are after a marble that harmonises with the furniture around it.

FINISH	SIZE
Polished	600x400x12mm
Honed	600x400x12mm

DIANA ROYAL

Beautifully toned creams and beiges, in the shape of dramatic waves and striking swirls give our Diana Royal an unmistakably marble appearance. Offered in both polished and honed finishes, creates a marble that will be a wonderfully varied back drop in any home.

FINISH	SIZE
Polished	610x406x12mm

LIVORNO

Wonderfully smooth to the touch, intricate white veining and a light mushroom coloured background all helps our Livorno Marble to be a designer's dream. Able to settle within any grey and cream settings in both honed and polished finishes allows sheer versatility whether it be a bathroom or living area.

FINISH	SIZE
Polished	610x406x12mm
Honed	610x406x12mm

EMPERADOR NERO

With its beautifully intricate white spider web like veining lying on top of an almost black base colour, our Emperador Nero simply oozes luxury. In the available polished finish, this marble is simply perfect for a dark and moody bathroom design.

FINISH	SIZE
Polished	610x305x12mm

EMPERADOR SMOKE

A base colour which is lighter than that of our Emperador Nero, matched with heavier white veining gives this marble a luxurious smoky grey appearance. In a polished finish, Emperador Smoke would help create a beautiful stand out bathroom.

FINISH

Polished

SIZE

610x305x12mm

PERLA

Subtle white and cream tones make our Perla marble a go to for designs needing a polished tile that works with everything. Intricate Emperador veining also enables this tile to have enough detail to showcase luxury but also not over power a room.

FINISH

Polished

SIZE

610x305x12mm

ARTIC GREY

A crystalized off white background with stunning light and dark grey linear patterns comes together to make our cool Artic Grey marble. In a honed finish, it becomes a real favourite for contemporary bathrooms.

FINISH	SIZE
Honed	610x305x12mm

PLATINUM BEIGE

Cream and beige over tones, with a sleek silver background make this beautifully varied marble incredibly tactile throughout living spaces in a home. Stocked in polished and honed finishes, contemporary settings are the perfect place for this marble.

FINISH	SIZE
Polished	610x406x12mm
Honed	610x406x12mm

PACIFIC GREY

Dramatic grey linear waves give this honed marble a real unique and striking presence. Our pacific grey is perfect if you want your walls and floors to make a real statement around the home.

FINISH
Honed

SIZE
610x305x12mm

VIOLETTA

Simply stunning and one of a kind. That is the only way to describe our Violetta marble. Each tile has a unique and dramatic array of veining, allowing this marble to take a contemporary bathroom to the next level. With the tile being polished and enhancing the colour, the beautifully intricate violet veins really stand out on their own.

FINISH
Polished

SIZE
610x305x12mm

NOIR

Showcasing a deep black as its background and dramatic white veins throughout, our Noir marble polished is pure luxury. Perfect for those after a monochrome bathroom that really pleases the eye. A real showstopper!

FINISH
Polished

SIZE
610x305x12mm

LIMESTONE COLLECTION

PREMIER SILVER

Light grey/silver base tones with delicate veining really expresses a masterpiece of natural beauty. Available in a range of sizes in polished and honed finishes allows this tile to deal with the of grandest contemporary settings.

FINISH	SIZE
Polished	610x406x12mm 50x50x12mm mosaics
Honed	610x305x12mm 610x406x12mm 610x610x15mm

MOLEANOS BEIGE

A designer’s dream, the beige and neutral colour palette of our Moleanos limestone makes it an easy choice to work amongst many colour schemes. Available in a silky honed finish in 10mm and 15mm, you can use this tile floor and wall in the most contemporary bathrooms. Also, being 15mm makes it an incredibly durable tile, meaning high traffic areas are of no concern.

FINISH	SIZE
Honed	600x400x10mm 600x400x15mm

MARINE

An unusual limestone, with an olive base colour and beautifully detailed fossils scattered all over makes this stone a real find. Available in a honed finish and a heritage style tumbled finish with softly rounded edges makes this stone perfect for contemporary or rustic design schemes.

FINISH	SIZE
Honed	610x406x12mm

JURA BEIGE

Premier Stones Jura Beige is as strong and durable as stones come. Renowned for its encapsulated ammonite fossils and subtle tones of beige and light brown on a dark cream backdrop makes this stone well suited to any area throughout the home.

FINISH	SIZE
Honed	600x400x10mm 600x400x15mm 600x600x15mm

JURA GREY

The partner colour to our Jura Beige. Our Jura Grey offers intricate dark grey detail on a light grey backdrop. In certain lights and colour palettes the warm grey tones can transform to an earthy base tone which makes it a completely versatile product to use.

FINISH	SIZE
Honed	600x400x10mm 600x400x15mm 600x600x15mm

PREMIER GREY

Light grey/beige under tones with cream and grey veins make this stone a dramatic delight for the eye. Being one of our more varied stones in the range, it will settle right at home in a modern contemporary bathroom that wants to give off that luxurious impression.

FINISH	SIZE
Honed	610x305x12mm 610x406x12mm

HERITAGE
COLLECTION

JAIPUR HERITAGE
ANTIQUED LIMESTONE

Warm, olive, beige and copper under tones give this stone a real feel of a worn country house floor. Hand chiselled and tumbled edges with a brushed finish also add to the historical look making it seem as if the stone has been laid there for decades. With our Jaipur being incredibly hard and dense, it becomes one of the many Premier Stone products which can be laid throughout the entire house. Also, suitable for indoor outdoor living.

FINISH
Tumbled & Brushed

SIZE
825x550x22mm
550xFreelengthx22mm

HERITAGE GREY ANTIQUED LIMESTONE

One of the sister tiles to our Jaipur Heritage. These antiqued and tumbled flagstones bring a classic contemporary dark grey colour into the home, making it a fantastic addition to settings within a shaker style kitchen. Also, suitable for indoor outdoor living.

FINISH
Tumbled & Brushed

SIZE
825x560x22mm
560xFreelengthx22mm

HERITAGE NERO ANTIQUED LIMESTONE

The other sister tile to our Jaipur Heritage. Our heritage Nero showcases a beautifully deep, yet worn black colour. Looking as if it has been walked on for centuries, it will be a welcome addition to any property. Also, suitable for indoor outdoor living.

FINISH
Tumbled & Brushed

SIZE
600xFreelengthx20mm

ASHFORD LIMESTONE

These lovely worn tiles have a tumbled edge and a textured undulating surface to give them a unique aged appearance as though they have been worn away over time. These beautiful mid-grey limestone tiles are consistent in colour and are particularly well suited to older properties like barn conversions or country cottages. Our Ashford Limestone is extremely durable and looks beautiful against shakers style kitchens or set in warm comfy living areas with open fires.

FINISH

Tumbled

SIZE

550xFreelengthx20mm

OXFORD GREY LIMESTONE

A truly unique finish, which almost resembles a slight leather look makes this tile a complete show stopper when laid. Being incredibly hard wearing with an undulated surface is a result of one of the delicate brushing processes used.

FINISH

Historical Brushed

SIZE

560xFreelengthx20mm

WINDSOR GREY LIMESTONE

A fantastic hard-wearing addition to our heritage collection. Mid-dark grey tones with a wonderfully smooth surface finish make this a very simple limestone to use throughout any home. Ever so slightly tumbled edges allow this stone to be used in both contemporary and period properties.

FINISH
Honed & Tumbled

SIZE
560xFreelengthx20mm

HAMPTON LIMESTONE

Hand chiselled edges and a tumbled surface bring a sense of warmth into the olive and beige colour palette. With this limestone having a unique tumbled finish, it looks as if these flagstones have been walked on for decades. The perfect addition to any home.

FINISH
Half Honed & Tumbled

SIZE
825x560x22mm
560xFreelengthx22mm

CHATSWORTH LIMESTONE

A pale beige surface tone makes this limestone the perfect addition to our heritage collection. Flagstones coming in 600xrandom lengths enables the tile to cope with large floor areas with ease. Having the pale beige colour palette that it does allows this tile to work with almost any colour scheme.

FINISH

Antiqued

SIZE

600xFreelengthx20mm

CHELSEA GREY LIMESTONE

Beautifully varied with intricate fossils peppered throughout makes our Chelsea Limestone a timeless classic. Available in 600xfreelength with tumbled edges, it is perfect for large floor spaces throughout any home.

FINISH

Tumbled

SIZE

600xFreelengthx18mm

CANTERBURY LIMESTONE

Hard wearing is just the start with this beautiful limestone. A lovely beige colour tone runs throughout with some historic looking fossils along the way. Being 20mm thick, this limestone is as tough as nails.

FINISH
Tumbled & Brushed

SIZE
600xFreelengthx20mm

COTSWOLD LIMESTONE

Rich sandy beige colours give this tumbled limestone a real sense of authenticity towards its aged appearance. The aged appearance helps it sit comfortably in older cottage style properties but the simplicity of its overall look can make it settle equally good alongside contemporary kitchens and furniture. Available in 20mm flagstones, this limestone is as tough as they come.

FINISH
Tumbled

SIZE
900x600x20mm
600xFreelengthx20mm

VERONA BEIGE LIMESTONE

Light beige, almost autumnal tones at times, makes our Verona Beige limestone a pleasing sight. With softly tumbled edges and almost wave like movements throughout the face of the tile allows it to work seamlessly in any heritage style interior.

FINISH

Tumbled

SIZE

600x400x15mm
600xFreelengthx15mm

PORTOFINO LIMESTONE

A light cream background is overlaid with fine swirling lines which typifies this type of tumbled limestone. It looks simply stunning in contemporary kitchens as well as more traditional kitchens, hallways and living spaces. With a tumbled and aged look, it becomes a durable limestone tile and is quite unique in appearance to most other limestone tiles in colour and pattern.

FINISH

Tumbled

SIZE

600x400x15mm

ASCOT LIMESTONE

A very chic way to bring a little character into a home. With a brushed finish applied and sawn edges, it gives a slightly worn but clean look to this Limestone. The brushing process accentuates the naturally occurring light grey veins throughout the marble while leaving the surface smooth and durable for everyday life. This pale, creamy, powder-soft coloured limestone is the perfect match to any colour scheme throughout.

FINISH
Brushed & Tumbled

SIZE
600x400x20mm
600xFreelengthx20mm

SIENA LIMESTONE

A beautifully tumbled and antiqued creamy limestone. With little variation from tile to tile, this limestone will blend in with any colour scheme, rustic or modern. Offered in both 600x400x15mm & 600xfreelengthx15mm, it allows great versatility for little and large spaces.

FINISH
Tumbled

SIZE
600x400x15mm
600xFreelengthx15mm

ROCHESTER GREY LIMESTONE

Intricate fossils with a mid-grey base colour give this flagstone a real authentic historical look. Quite a varied stone from piece to piece with an abundance of character enables this tumbled flagstone to be the perfect tile for throughout the entire ground floor of the house, old or new. Also available in 600xfreelgnths mean it is an easy choice for any large area. Also, suitable for indoor outdoor living.

FINISH

Tumbled

SIZE

600x400x15mm
600xFreelengthx15mm

REGENCY GREY LIMESTONE

From the same area as our Palermo Limestone, this tumbled pale grey limestone offers a cool and chic approach to antiqued tiles as we know them. Perfectly suited to a rustic twist in a contemporary house or would be right at home in a converted barn house.

FINISH

Tumbled

SIZE

600x400x15mm
600xFreelengthx15mm

PALERMO LIMESTONE

A dense, softly tumbled light beige limestone, with beautifully detailed fossils throughout. Our Palermo limestone will fit seamlessly into period properties or even add a little character into contemporary interiors. Offered in a range of sizes from 600x400 to a Grand Opus pattern set, this limestone can deal with any size of project.

FINISH	SIZE
Tumbled	600x400x15mm 600x900x15mm 600xFreelengthx15mm Grand Opus Pattern Setx15mm

PROVENCE LIMESTONE

Similar in characteristics to our Palermo, the Provence limestone has a light grey base tone which in certain lights and settings can show hints of beige, letting it sit perfectly amongst any interior, modern or rustic. Offered in a range of sizes from 600x400 to a 900x600, this limestone can deal with any size of project.

FINISH	SIZE
Tumbled	600x400x15mm 600x900x15mm 600xFreelengthx15mm

DORCHESTER BEIGE MARBLE

Soft tumbled edges with a cream and beige base colour give this marble a warming heritage appearance. Also, being an incredibly dense marble helps it when laid throughout homes, perfect for everyday life around the house.

FINISH

Tumbled

SIZE

610x406x12mm

KENSINGTON MARBLE

A beautiful combination of both cream and soft beige shades throughout, give this marble a warm and antiqued look. With its tumbled edges, this marble really lends itself to period properties.

FINISH

Tumbled

SIZE

610x406x12mm

DESERT OLIVE SANDSTONE

This is the sister tile to our desert grey sandstone. Quite varied from tile to tile incorporating distinct beige, grey, olive and taupe tones, which are particularly well suited to older properties like barn conversions and country cottages.

FINISH
Tumbled & Brushed

SIZE
840x560x20mm
560xFreelengthx20mm

DESERT GREY SANDSTONE

These fantastic antiqued sandstone tiles have a hand-cut tumbled edge and textured riven surface to give them a unique aged appearance as though they have been worn away over time. Not much variation from tile to tile and a light powder grey colour makes these flagstones perfect for any interior design schemes.

FINISH
Tumbled & Brushed

SIZE
840x560x20mm
560xFreelengthx20mm

MARINE LIMESTONE (TUMBLED)

Softly worn edges give this variation of our classic Marine Honed limestone an antiqued feel. Making our Marine stone more apt for a rustic style property.

FINISH
Tumbled

SIZE
610x406x12mm

TRAVERTINE COLLECTION

SILVER

A classic tile in the world of stone. Our silver travertine has a subtle silvery grey base tone with intricate beige swirls running over the face of the tiles. Quite varied from tile to tile, it allows for a dramatic effect to be created on any floor and wall.

FINISH
Honed & Filled

SIZE
610x406x12mm

SILVER TUMBLED

Our classic silver travertine but in a tumbled finish creates a different side to this travertine. With its tumbled edges and face, it creates a timeless aged look which will look perfect in any country cottage.

FINISH
Tumbled & Unfilled

SIZE
610x406x12mm

SPARKLE COLLECTION

BLACK STAR GALAXY GRANITE

One of the most dense natural stones we have in our inventory. Our Black Star Galaxy Granite showcases a deep black base with copper flecks throughout to give it a subtle amount of sparkle under the light. The perfect tile for bathrooms and even large floor areas, due to our range of sizes on offer.

FINISH

Polished

SIZE

- 305x305x100mm
- 406x406x10mm
- 610x305x10mm
- 610x610x12mm

STARLIGHT QUARTZ RANGE

A man made resin composite tile which is a real show stopper. Offered in 3 colours, deep black, pure white and a mid-dark grey, our starlight quartz range can be used in all colour schemes. The perfect set of tiles if you want little glitz and glam in your home. Due to our starlight quartz being made with resin, it is deemed unsuitable for use with any form of underfloor heating or anywhere that gets constant sunlight. However, our Black Star Galaxy Granite on the previous page can be used in all these situations.
