Collections from our warehouse – You can also collect from our warehouse strictly between 1.15pm and 3.30pm, with prior notice and cleared funds on processed orders.

## **Access Issues :-**

Please notify us when placing your order if there are any access issues or restrictions at the delivery address for your order. For example, narrow roads, gravel driveways, inclines, etc.

Deliveries are made using large lorries, and pallets are offloaded using a tail lift.

## **Procedure for Damages in Transit**

Please ensure you, or the 3<sup>rd</sup> party person receiving the goods, takes notice of the large red label on the goods that requests you inspect them for damage prior to signing for them in good condition.

If a person other than the customer who placed the order is to receive it, it is the responsibility of the person who placed the order to convey the information above and advise recipient of delivery procedures.

In the unlikely event that your order was damaged in transit, please note this on the delivery note, by signing for it as "DAMAGED", and we can arrange to replace the goods.

It is also required and helpful to have as much photographic evidence as possible.

Any damages MUST be signed for as "DAMAGED".

Do not sign "Unchecked". The delivery driver cannot leave without a signature.

If damages are not stated clearly on the delivery note, and the goods are not signed for as damaged, we reserve the right to refuse any replacements or refunds.

Please note that in order for us to send replacement tiles out, the following must be complied with:-

1. Delivery note must be signed for as "damaged"
2. Notification in writing within 48 hours of the delivery being received.
